Thank you for shopping at THE UPSIDE.

We understand that sometimes when online shopping it doesn't always work out. If you are not completely satisfied with your order you are always welcome to return any of the item/s for an exchange, online credit note, or refund.

Please note that unfortunately we do not offer refunds or exchanges on SALE items for wrong decision or change of mind.

HOW TO RETURN ITEMS

1. Check for the following:
 - You ordered from the Australian or International THE UPSIDE online store. If you ordered from the US store please refer to the US returns page on theupside.com.
 - All swing tags are still attached.
 - Swimwear garments have the hygiene strip in place.
 - Item/s have not been worn or washed and are in original clean condition. (Please make sure that swimwear is tried on over your own underwear. In the interests of hygiene, we may refuse returns of items where it's obvious that this hasn't been done.)
2. Fill in this returns form and enclose it in a post bag with the item/s.
3. Send post bag to:

THE UPSIDE

Att: THE UPSIDE Returns

We recommend sending with a registered and trackable service so that your parcel is not lost in transit and be sure to keep a copy of the tracking number handy.

Refunds will be processed to the original payment method within 2 business days of THE UPSIDE receiving the returned item/s. A notification will be sent to the nominated email address at the time of this transaction.

ALTERNATIVELY...
